Alumni Career Fair

Alumni Career Fair

- The Alumni Association in its bid to expand the career opportunities available to its members, organize Career Fairs.
- During such events, the Alumni partners with reputable HR firms, HR Consultants and professional bodies for career enhancement opportunities for our Pathfinders.
- At the last edition, representatives from the global professional accounting body offering the Chartered Certified Accountant qualification, Association of Chartered Certified Accountants (ACCA), were present.

Alumni Career Fair

- The Association entered into a partnership with the professional body to explore opportunities for free courses for its members including those not in the Accounting field named (ACCA-X).

Alumni Career Fair

SDG 4: Quality Education
SDG 8: Decent Work & Economic Growth

Employability Symposium

**SDG 8: Decent Work &
Economic Growth**

Employability Symposium

- The Alumni, in recognizing the need to keep its members “employable” inspite of the Nigerian environment where unemployment is rife, set up its **Employability Symposium**.
- With its slogan; “Being employable when the jobs aren’t there”, the Alumni reaches out to resource persons who belong to Human Resources Management, Recruitment Consultants, etc.
- In the last edition, the topic “BUILDING YOUR BRAND FOR YOUR DREAM JOB” was explored by HR Consultants from Philstone Consulting

The Alumni Farm-Fun

The Alumni Farm-Fun

- Farm-fun is a boot-camp organized by Landmark University Alumni Association for teenagers where participants are made to experience modern-day agriculture.
- Farm-Fun aims at exposing these teenagers to modern farming facilities that would ignite a passion for agriculture in them and thereby correcting the wrong impression that Farming is for peasants.
- It hopes to recreate a picture of agriculture that portrays dignity and fun.

The Alumni Farm-Fun

- At the first edition of the event in July 2018, about 50 participants from about 25 schools across Kwara State were in attendance.
- The second edition in August 2019 witnessed over 100 participants from within and outside Kwara State.
- This program is anchored on **SDGs 2, 3, 4 and 5** i.e Zero Hunger, Good Health & Well-being, Quality Education and Gender Equality.
