10 **The business of the day.**

- 11 • Stating/ identifying the goals of SDG 17
- 12 • Populating our stand.
- 13 • Management of Individual/cluster research.

14 **The goals of the SDG 17:**

- 15 • The Cluster is meant to augment the partnership and collaborative drive of the
- 16 University in terms of research and community services.
- 17 • Review existing bilateral and multilateral engagements (i.e. Africa-China Trade
- 18 Agreements, recently signed African Common Trade, issues around COVID-19
- 19 and global engagements etc.) among nations of the world with a view of advancing
- 20 knowledge frontiers.
- 21 • Review the existing MOUs signed by the University for the purposes of research
- 22 and policy formation.
- 23 • Identifying and collaborating with other clusters and units especially the
- 24 International linkages office and Industry-linkages committee for the purpose of
- 25 research

26 **Populating our stand:** Dr. Lawal talked about populating our stand with structures,
27 edifice, posters, abstracts, Summary of Memorandum of Understanding (MOU) signed by
28 the University and her partners, etc.

29 Mr. Adetifa suggested that the documents of our professional partners should be made
30 available on the stand. The results of other SDGs should also be incorporated into the
31 partnership.

32 Prof. Oki suggested we have leaflets of our professional partners in our stand to reduce
33 costs. He also suggested that there is the need for the group to write journals indexed in
34 Scopus for the group to be populated.

35 **Individual and cluster research:** Members were admonished to come up with two
36 research topics on partnership before 20th August 2020.

37 **Appointment of Secretary:** Mrs. Diarah was appointed as the secretary of the group.

38 **AOB:** Members discussed how we can obtain Research leave and Sabbatical leave. Prof.
39 Adeyemi suggested that the Cluster should initiate Research Leave for faculty in the
40 University. The Coordinator requested that Prof. Adeyemi help us with a draft proposal.

41 **Adjournment:** Prof. M.Oki moved the adjournment of the meeting and Nweke-Love
42 Henry seconded the adjournment.

43 The meeting was scheduled on 3rd Thursday of every month at the same

44 Venue: LMU International exhibition center.
